DISTRICT HOSPITAL, KOLAR.

Tender Notice dated 12th September 1931.

1. Notice is hereby given that sealed tenders in triplicate, on half-sheet foolscap size paper, will be received at the Office of the District Medical Officer, by the District Medical Officer, at 9 A.M., on 6th November 1931, for the supply of all articles of diet, etc., (as per list annexed), required for the use of the District Hospital, Kolar, from 1st January 1932 to 31st December 1932 (both days inclusive).

2. No tenders will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of provisions" to the District Hospital, Kolar.

4. No tender will be received unless accompanied by a deposit of Rs. 50 in cash or currency notes or Treasury receipt.

5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate of each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as superscribed in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 100) within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor in which he can keep all non-perishable articles, of which not less than one month's supply must always be in stock. Perishable articles such as vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. All articles except when mentioned otherwise, should be of the first sort, and any articles rejected on account of inferiority should be promptly replaced by articles of required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have power to fine up to Rs. 100.

14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound, on occasions of emergency, to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

16. In payments, the contractor must accept the following rule regarding the fractions of a rupee order passed by Government. In payments to be made to the contractor fractions of a rupee in the total will be rounded to the nearest rupee, *i.e.*, fractions less than half a rupee will be disregarded, half a rupee and over taken as a rupee.
